2 1/2 cups pineapple juice  
2 1/2 cups mango nectar  
2 1/2 cups guava nectar  
1 3/4 cup gold rum  
1/3 cup grenadine syrup  
1/4 cup lime juice, fresh squeezed  
1/3 cup agave nectar

Refrigerate all ingredients for 1 hour. Have ice cream containers frozen at least 24 hours in advance.

In a large metal or glass bowl, mix all of the ingredients, stirring until the sugar has completely dissolved. Freeze for 1 hour in ice cream bowls, then remove and proceed as directed by your ice cream machines directions. Return to freezer and allow to freeze for 2 hours. Serve carefully! This stuff is dangerous.
